Master Planners

Why do a Master Plan?

Neighborhood master plan is chance for community to proactively:

- Build consensus neighborhood vision for future
- Improve quality of place and quality of life
- Expand economic opportunity and attract investment
- Promote inclusive growth through increased density (prevent displacement)
- Build partnerships for successful implementation

The Opportunity

Wake Forest Innovation Quarter

Winston-Salem State University

Downtown Winston-Salem

Purpose of Master Plan

- Ensure healthy and vibrant future for East End
- Articulate community needs, expectations, and aspirations to those wanting to invest in the neighborhood
- Guide public and private investment
- Identify catalyst projects
- Prioritize development initiatives
- Recommend various implementation strategies to help actualize the master plan vision

Planning Goals

Leverage neighborhood's assets and strengths

- History & Social Fabric
- Proximity & Connectivity

Address needs and challenges

- Inclusive Growth
- Affordability

Create long-term benefits to the community

- Quality of Life Improvements
- Economic Development

Recent Plans & Projects

Wake Forest Innovation Quarter Master Plan

East-Northeast Area Plan

MLK Corridor Master Plan

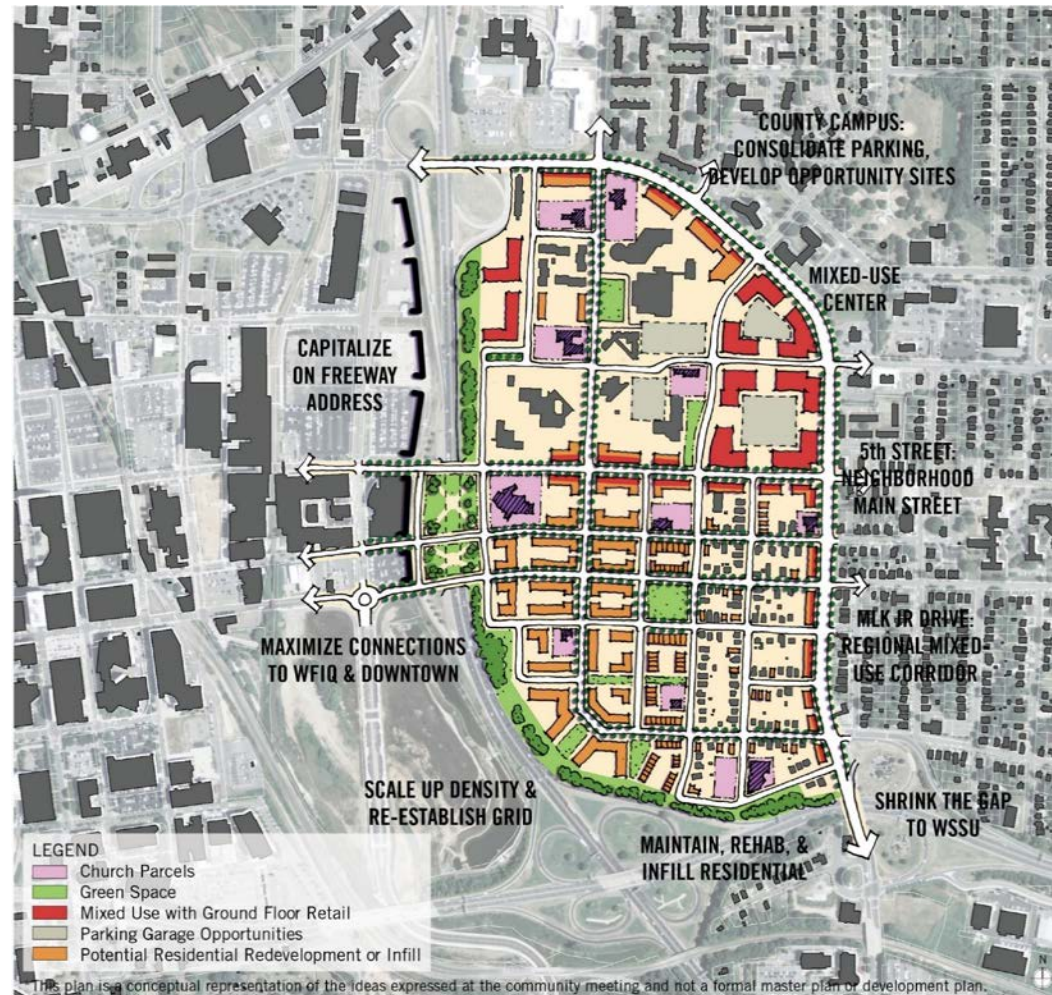

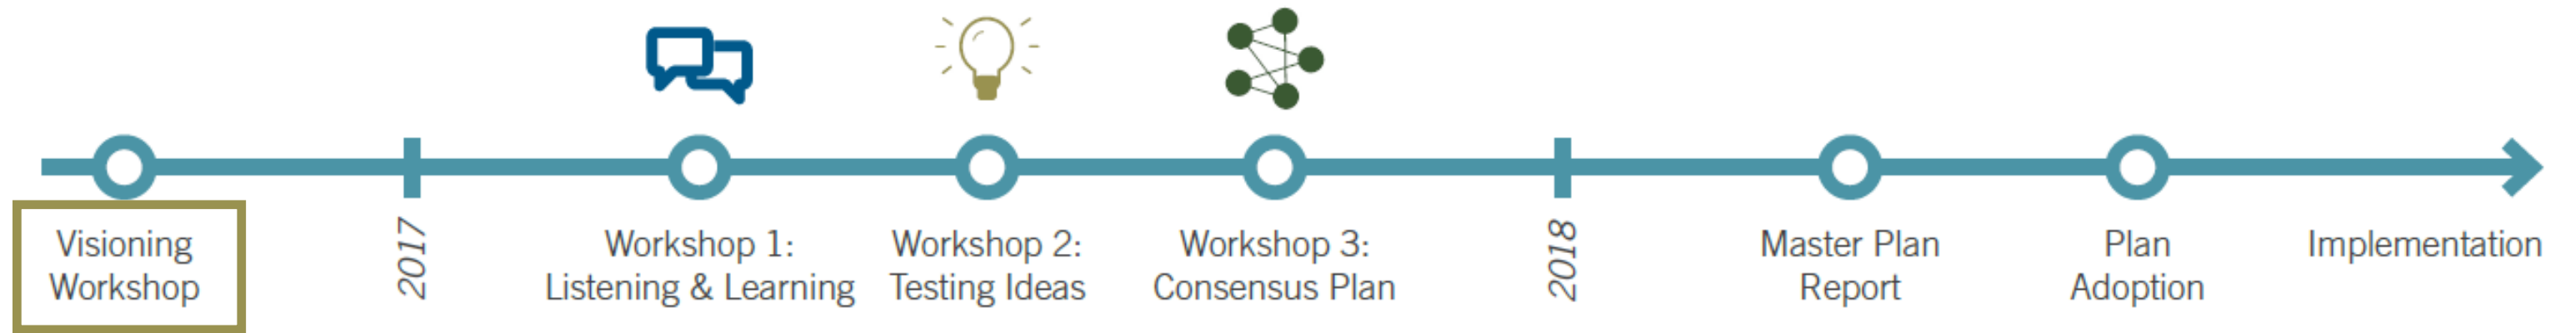

Business 40 Streetscape Master Plan

Cleveland Avenue Neighborhood Transformation Plan

Planning Process

Visioning Workshop: February 10, 2016

- Small workshop sponsored by WFIQ with select community stakeholders
- Resulted in high-level vision plan and broad set of recommendations
- Established need for more robust and comprehensive neighborhood plan

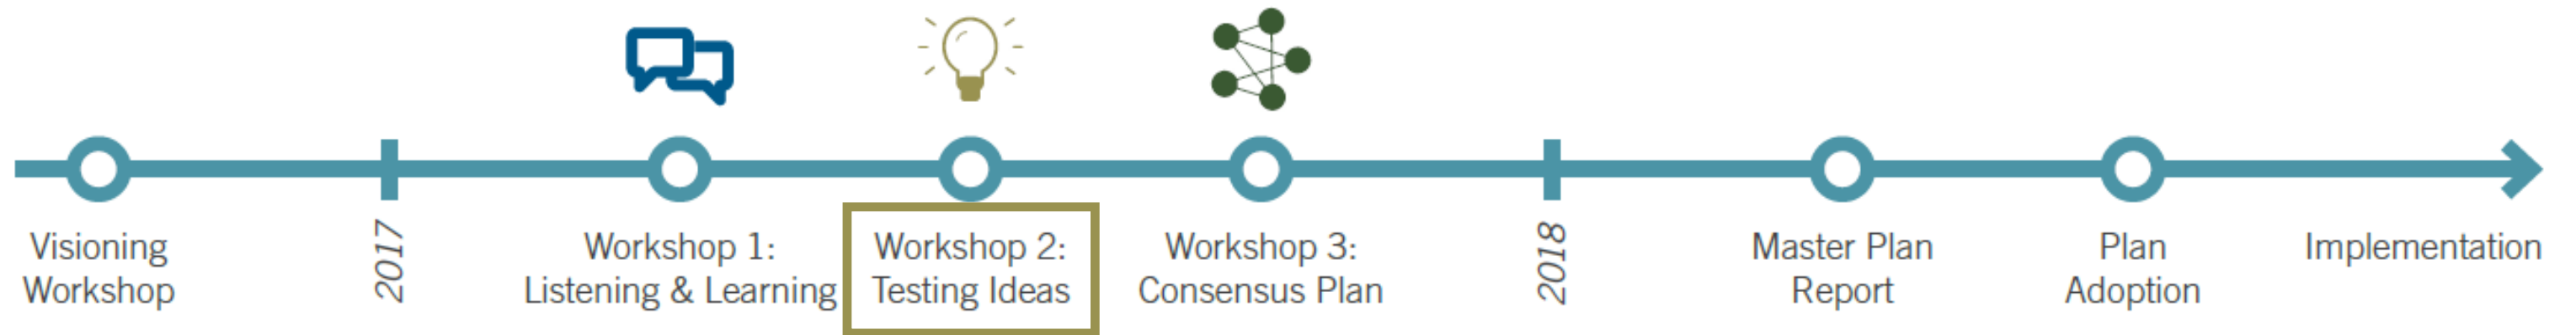

Planning Process

Workshop 1: March 23-24, 2017

- Public meeting and focus group discussions with key stakeholders
- Identified goals and priorities, strengths and weaknesses, and addressed concerns

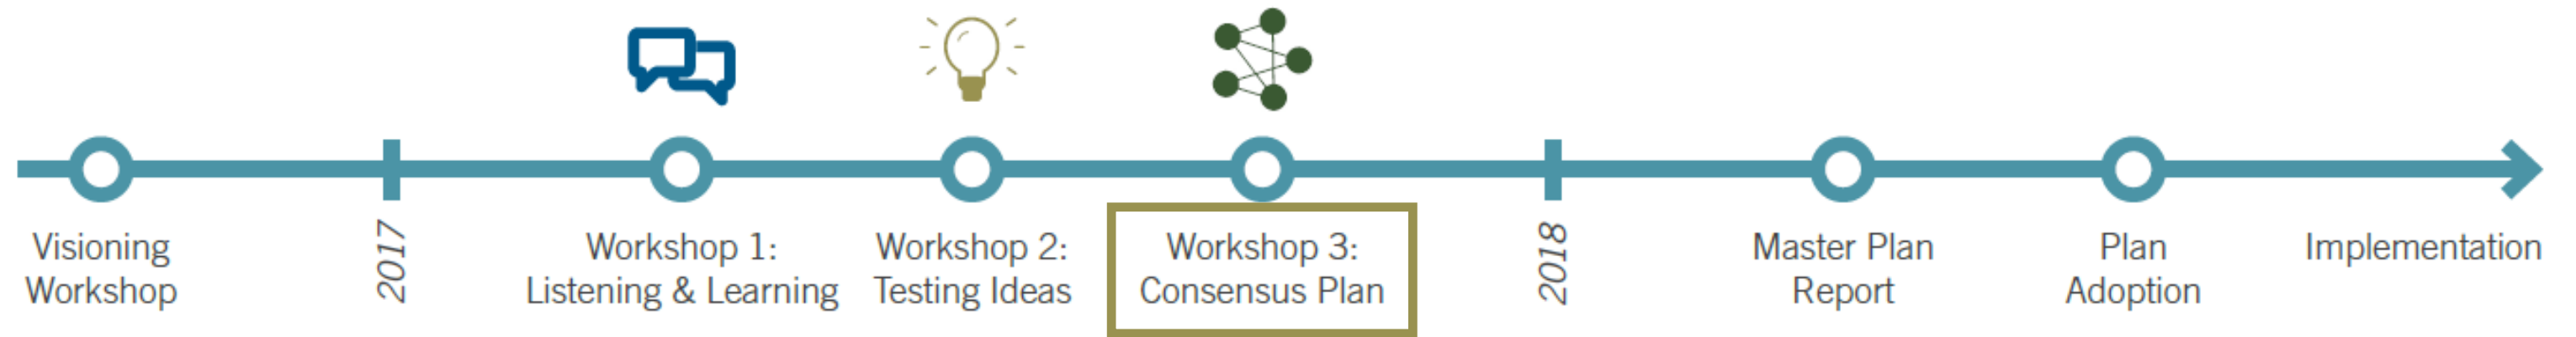

Planning Process

Workshop 2: June 29-30, 2017

- Reviewed early design ideas
- Laid foundation for preferred approach to organizing new land uses, streets, parks and other features

Planning Process

Workshop 3: October 17, 2017

- Presentation of draft plan
- Q & A Session
- Solicited feedback to guide final plan refinements and documentation

Community Input: Guiding Vision

- Preserve the integrity of the community
- Celebrate the history and culture
- Identify catalyst projects that show hope and sincerity of reinvesting in the future of East Winston-Salem
- “This is about what we are and what we want to become.”

Community Input: Programs

- Identify new and leverage existing partnerships (Forsyth Tech, Venture Café, etc)
- Build a pipeline within/into the Innovation Quarter for local minority community
- Community benefit agreements with developers
- Address health and wellness program needs and training

Community Input: Residential

- Do not displace residents
- Identify build-first projects so that residents can be relocated
- Provide a mix of housing price points for rent and sale
- Address need for student and faculty housing in area

Community Input: Economic Development

- Create magnets or destinations
- Serve community retail and entertainment needs
- Re-establish a town/village center
- Support local business ownership/cooperatives
- Expand library with adult training and career center
- Explore entry-level start-up space
- Consider food incubator, production kitchen, creative arts lab, and other entrepreneur support
- Explore college town needs of WSSU

Community Input: Circulation and Recreation

- Mitigate/eliminate US-52 as a barrier; connect over and across freeways
- Enhance transportation options and connections to jobs
- Create more indoor and outdoor public spaces, parks

Existing Conditions

Gateways & Edges

Land Utilization

Existing Conditions

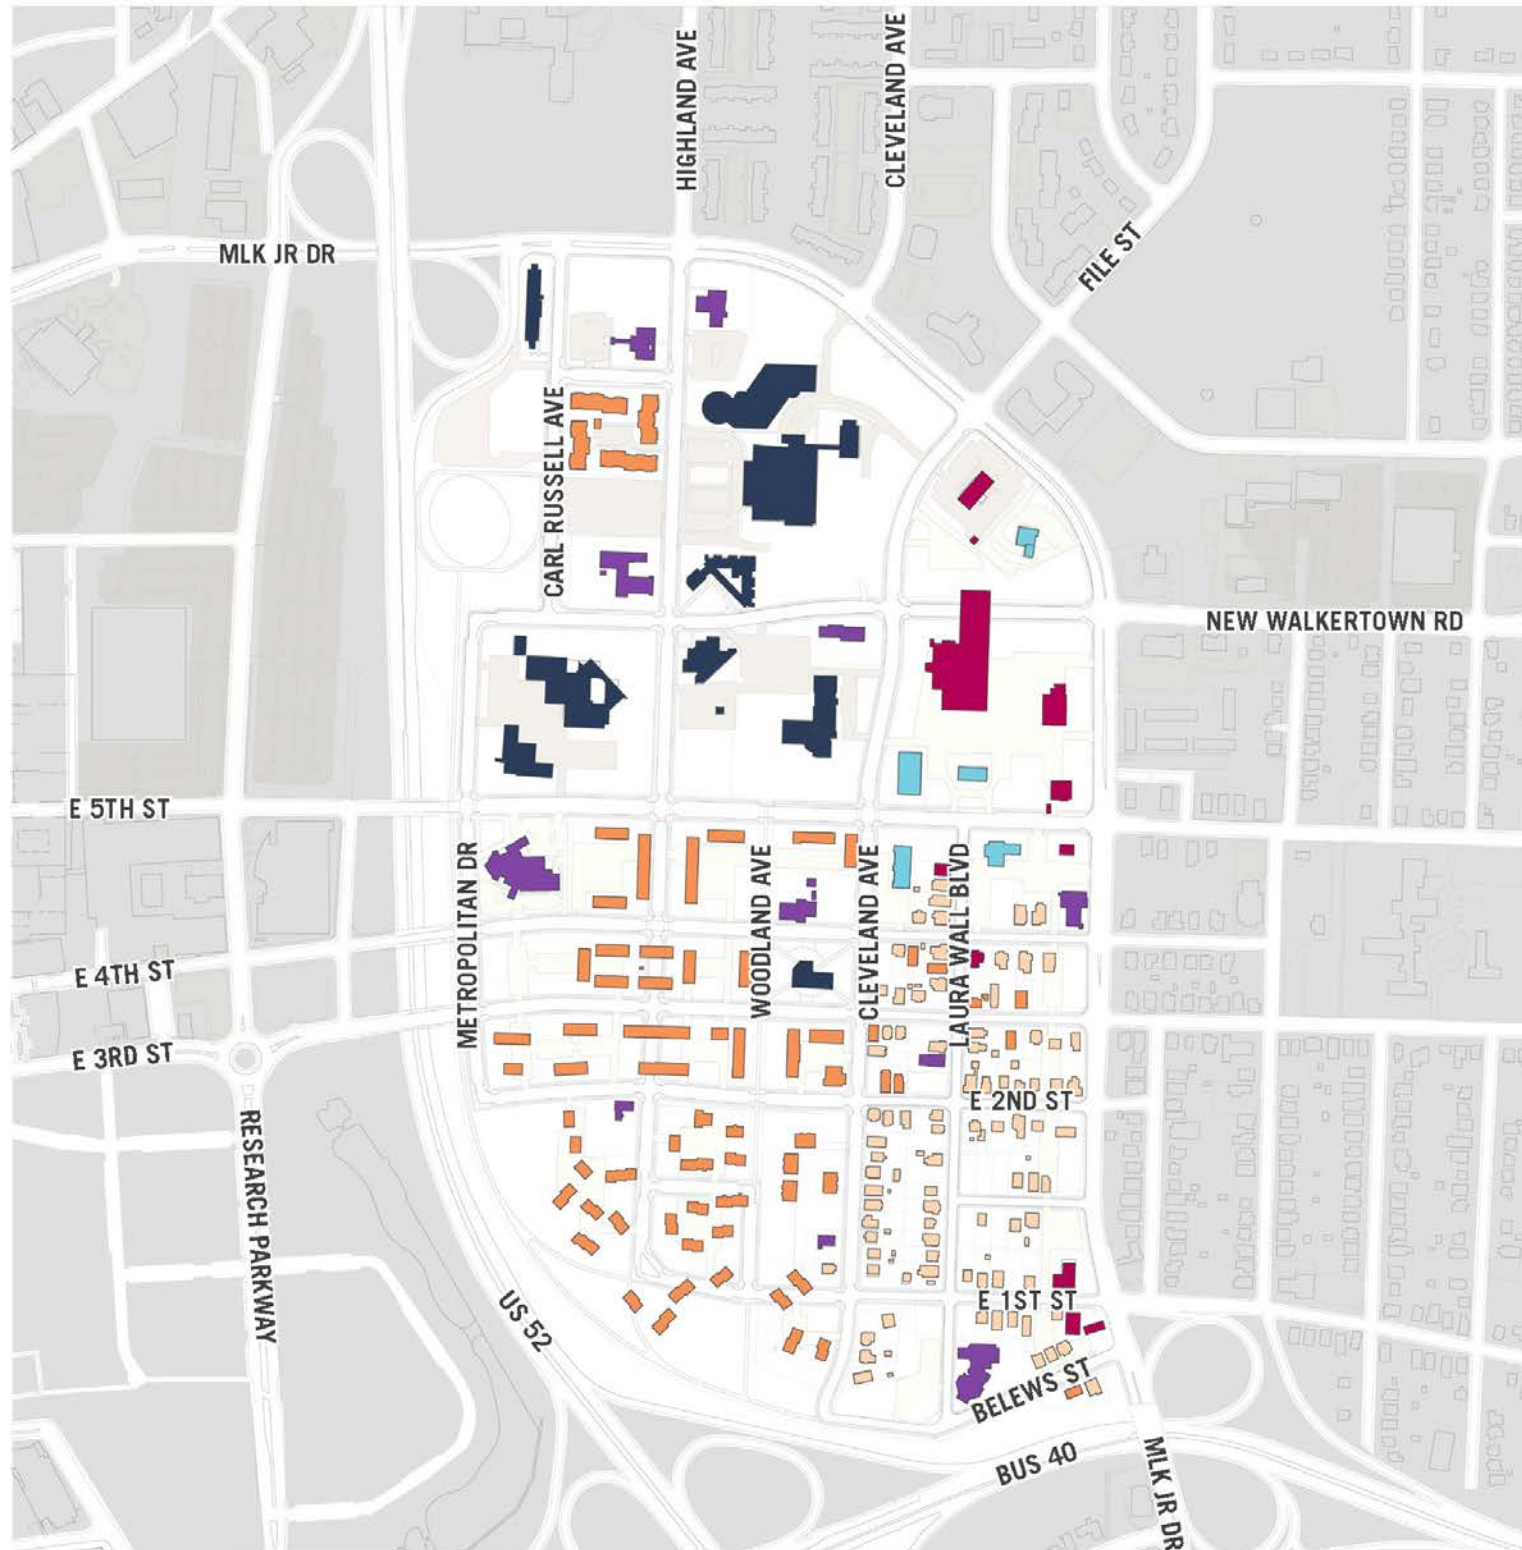

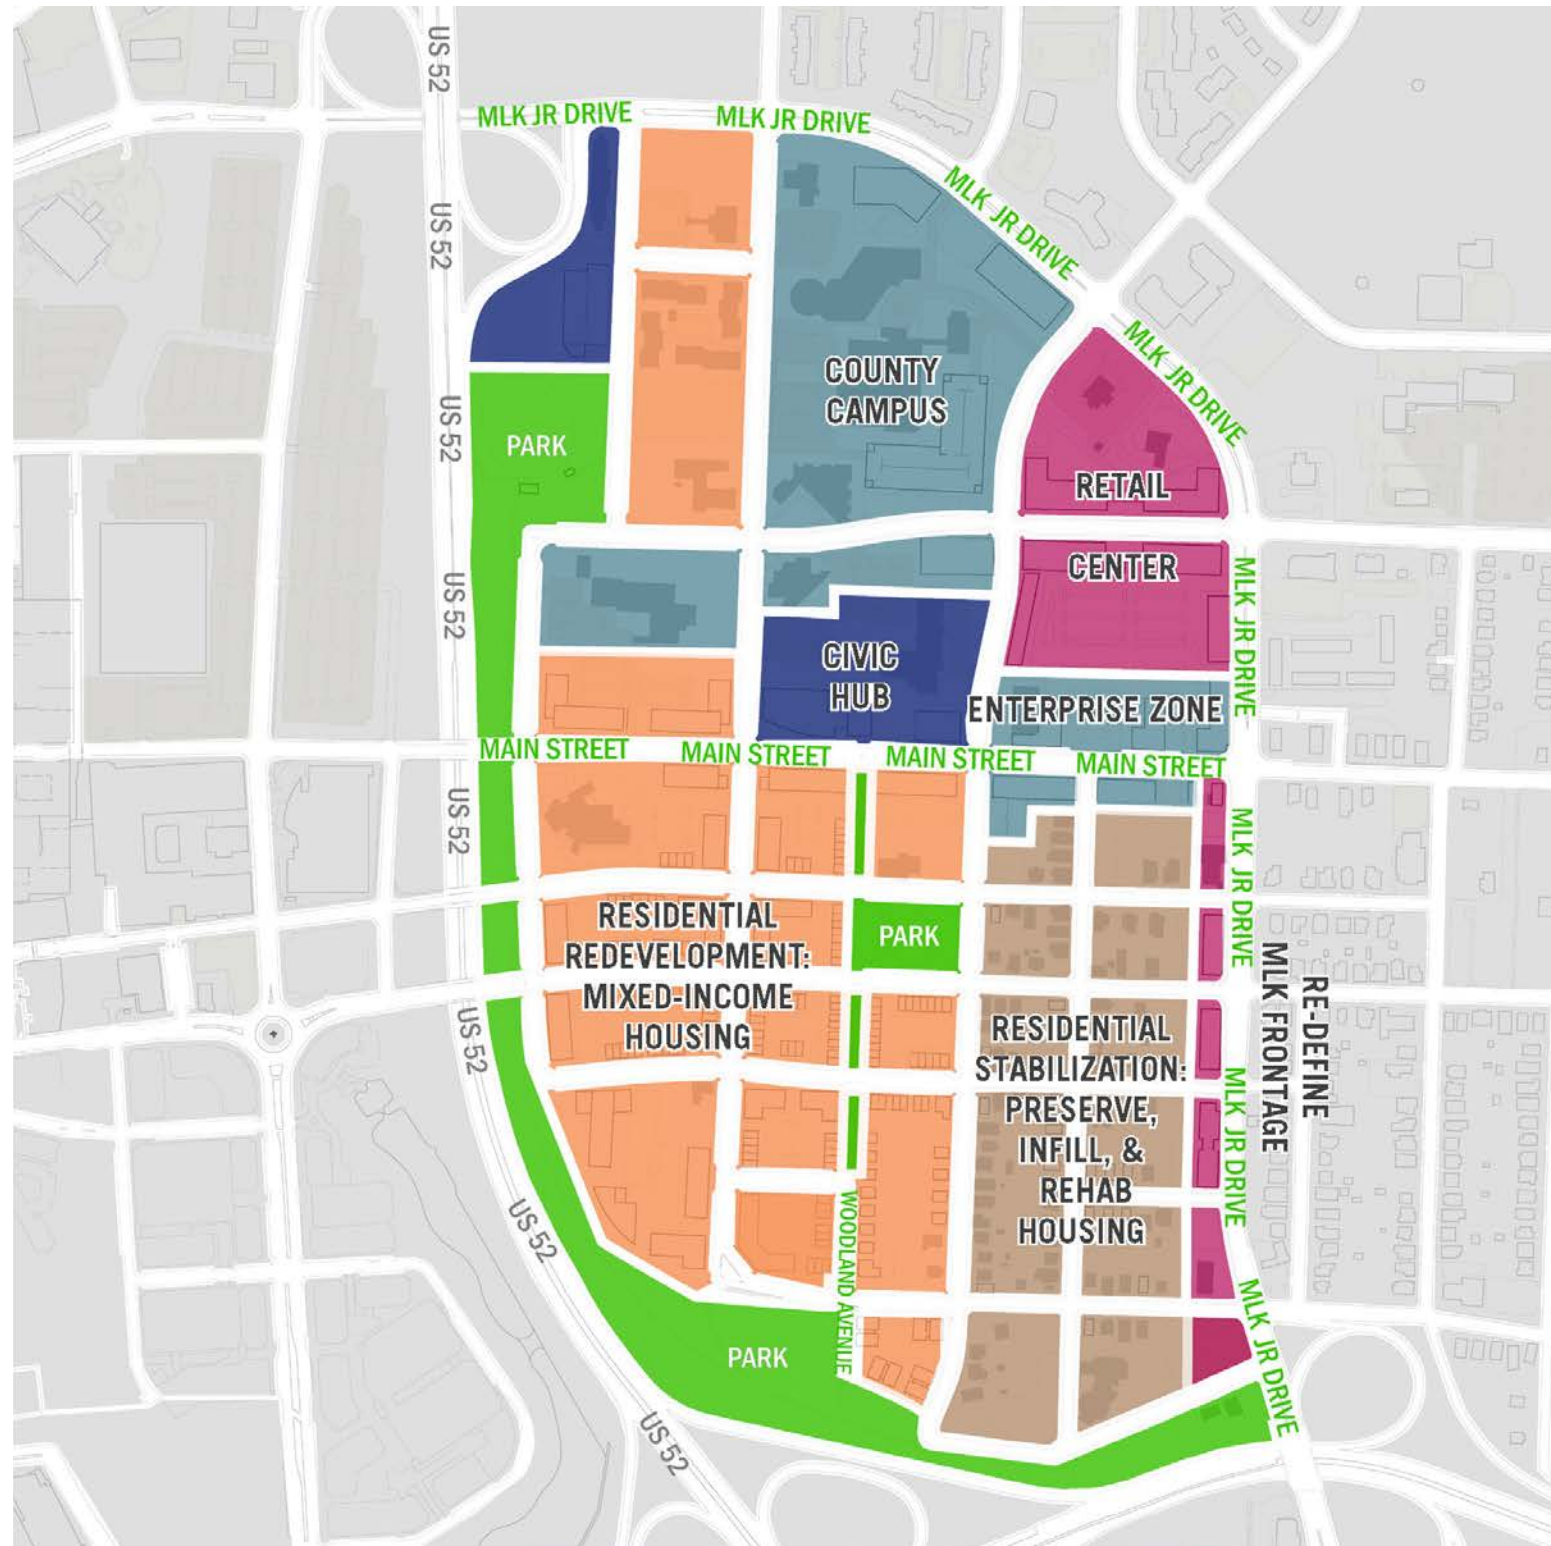

Figure-Ground Diagram
Low density of existing development indicates opportunities for infill and higher-density development.

Existing Building Use Diagram

- Single-Family Residential (Private Entry)
- Multi-Family Residential (Shared Entry)
- Commercial: Office, Co-working, Flex Space
- Retail
- Civic, Institutional, & Community Service or Amenity
- County Facilities

SYNTHESIZING THE NEIGHBORHOOD VISION

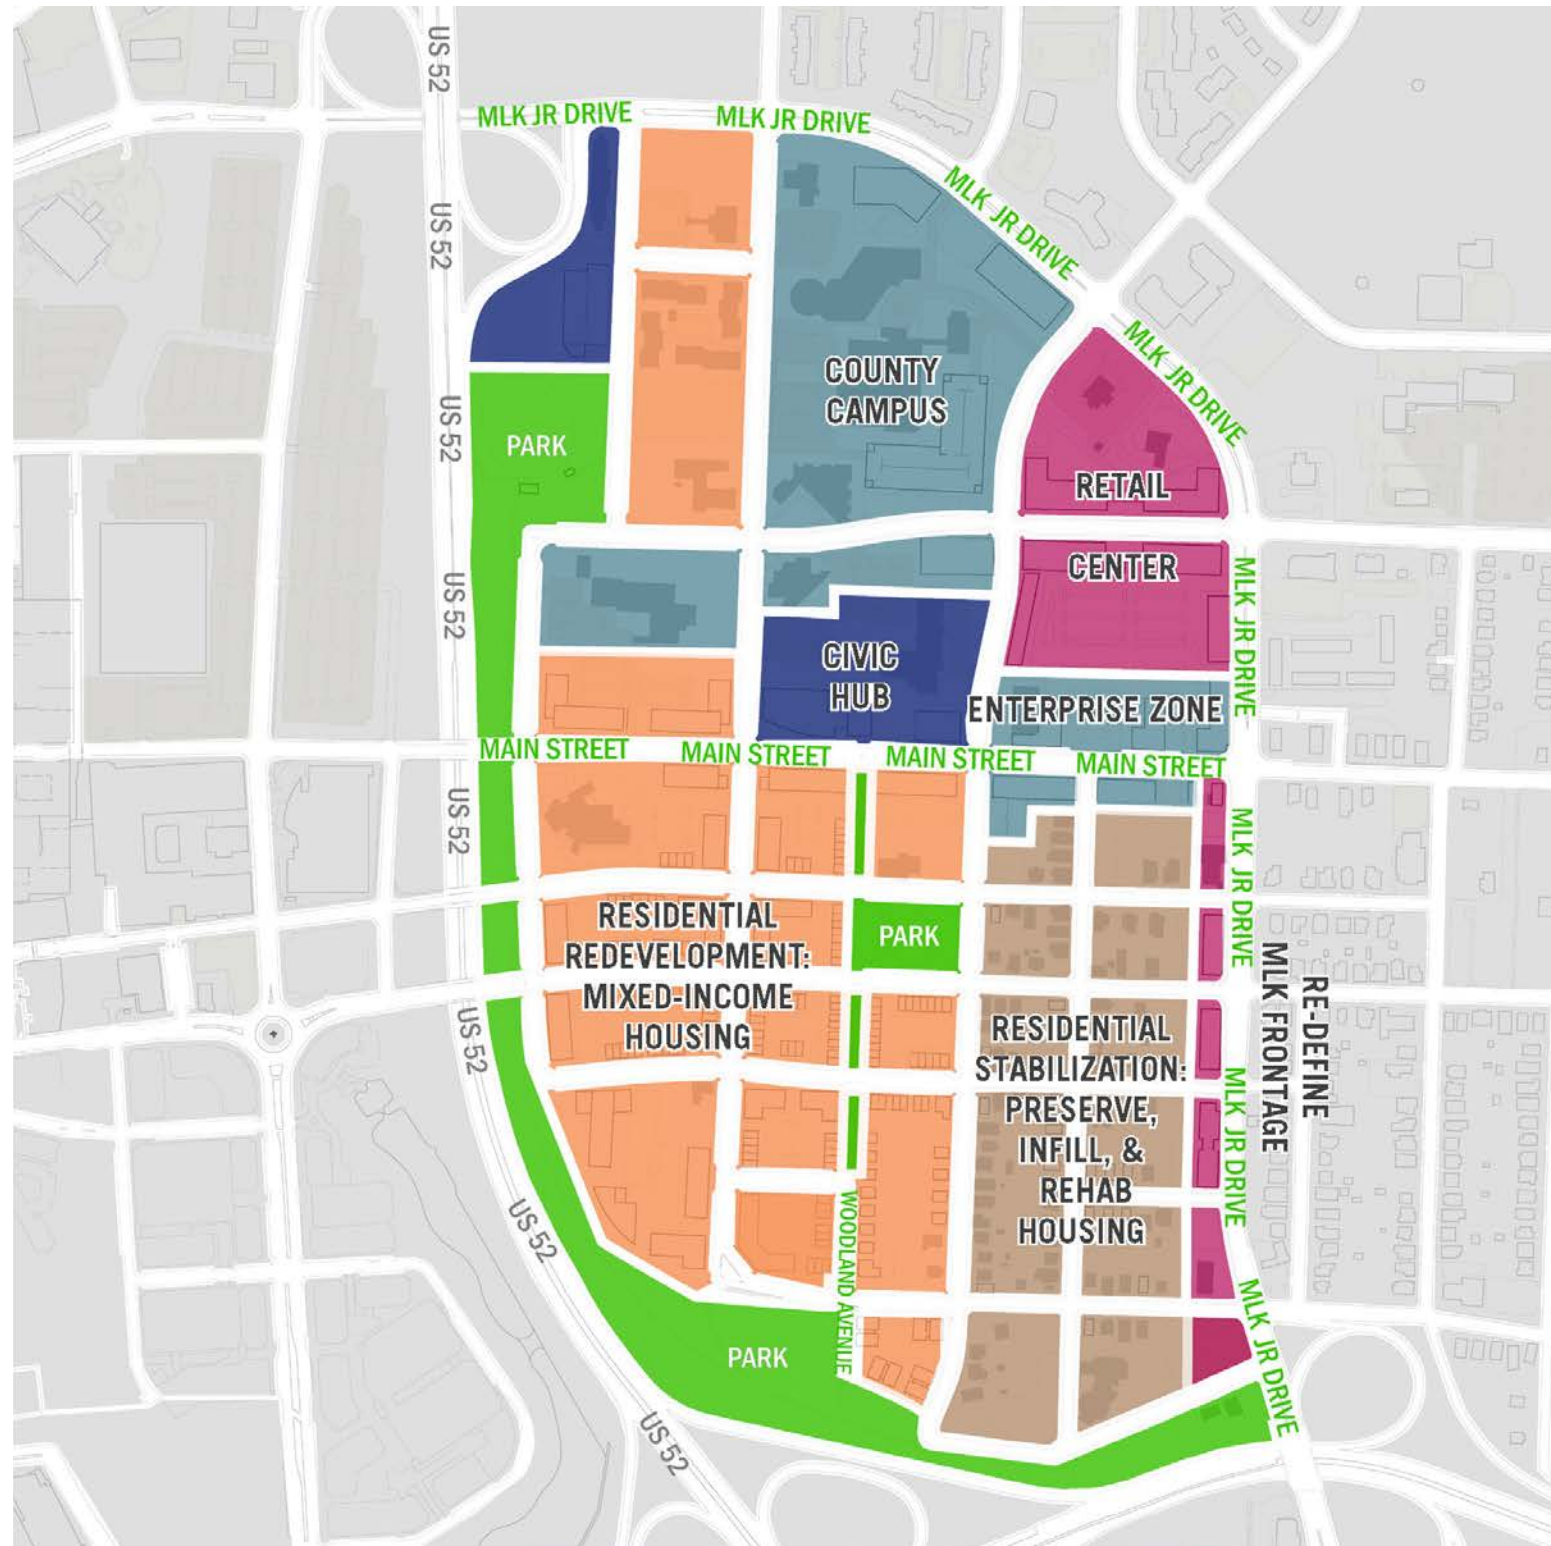

Framework – Guiding Principles & Objectives

- Build on existing neighborhood strengths and assets
- Grow in an inclusive way
- Enrich the neighborhood through civic, commercial and other community amenities and services
- Expand economic opportunities by improving connections to education and jobs
- Enliven the neighborhood with public realm enhancements and mixed uses

- Predominantly Single-Family Residential & Detached Housing
- Predominantly Multi-Family Residential & Attached Housing
- Predominant Employment Areas
- Predominant Retail Areas & Street Frontages
- Civic & Community Services & Amenities
- Open Space Network

Framework – Key Components

- 5th Street as lively, walkable mixed-use **Main Street**
- New **Parks**
- **Residential Redevelopment and Stabilization**
- Central **Civic Hub** with civic, education, and other community uses, services or amenities
- 5th Street's eastern portion as **Enterprise Zone**
- Re-configured **Retail Center** that improves commercial and mixed-use frontages on **MLK Jr Drive**
- Forsyth **County Campus**

- Predominantly Single-Family Residential & Detached Housing
- Predominantly Multi-Family Residential & Attached Housing
- Predominant Employment Areas
- Predominant Retail Areas & Street Frontages
- Civic & Community Services & Amenities
- Open Space Network

Illustrative Master Plan

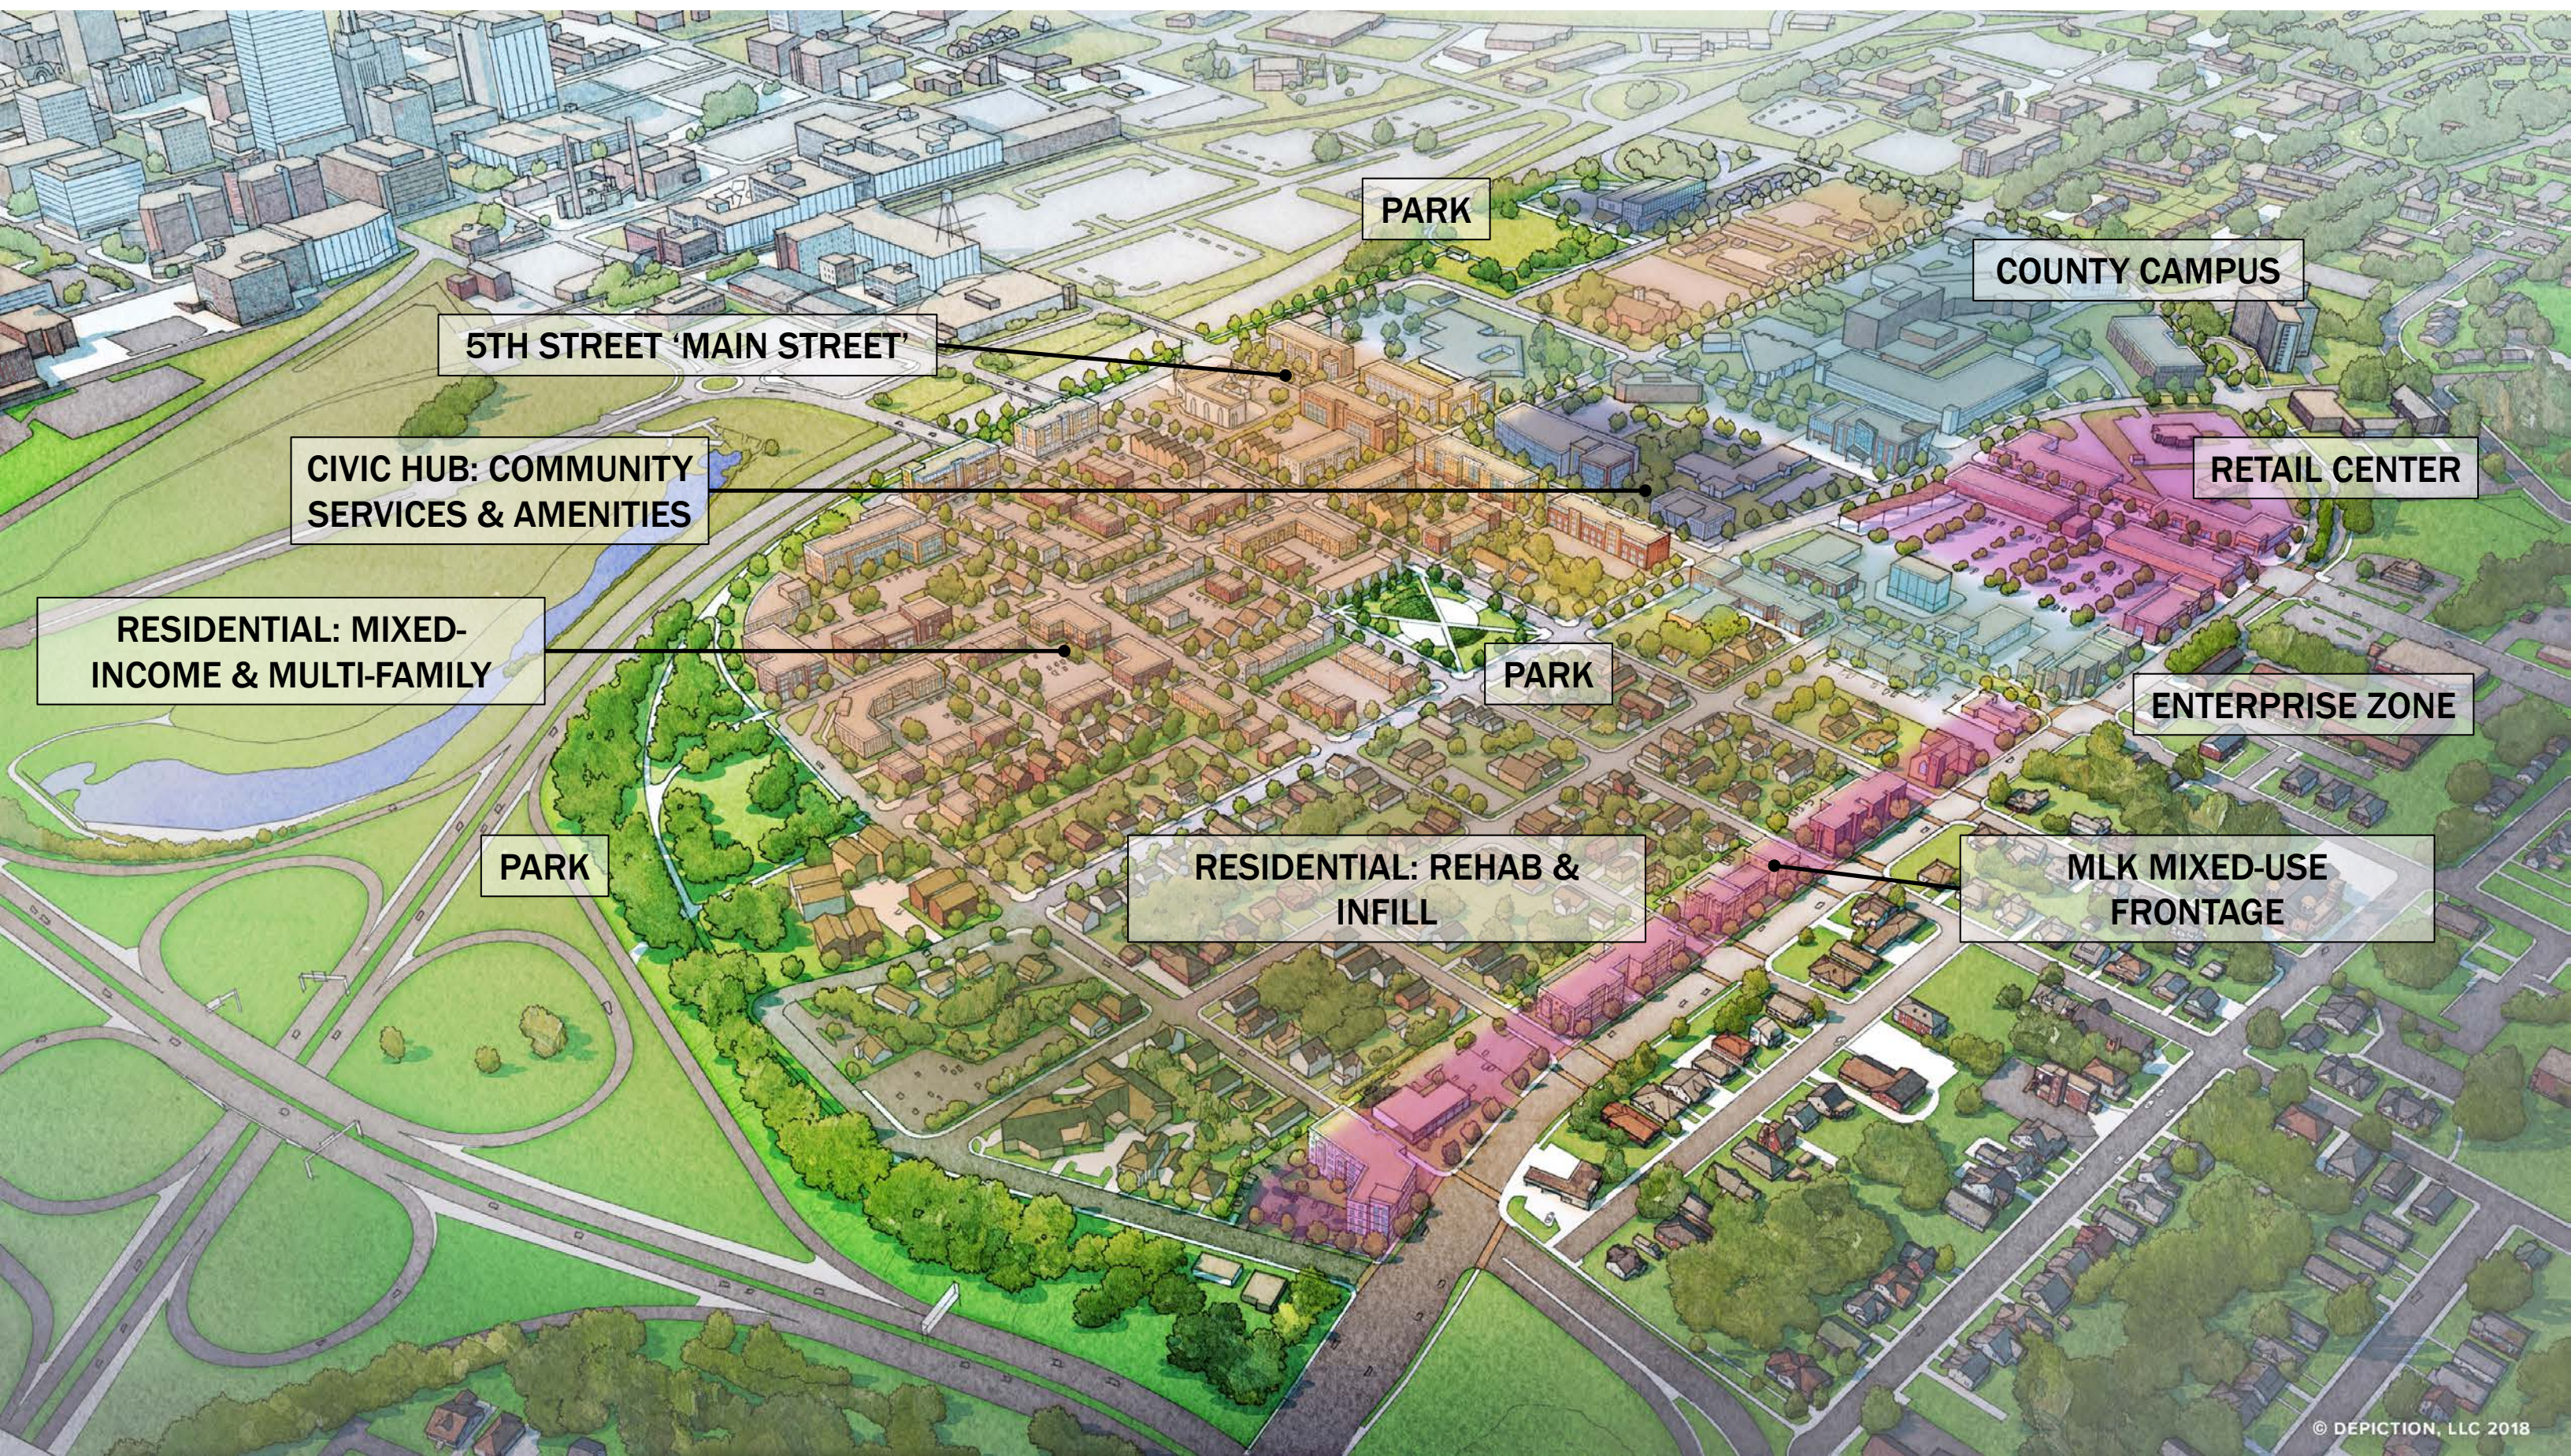

Prioritize people and create a sense of community:

- Create small, walkable blocks
- Site buildings close to or at the sidewalk to reinforce street edges
- Locate parking behind buildings
- Line public streets and parks with buildings and front doors to put 'eyes on the street'
- Clearly define public vs. private spaces
- Make streets that balance pedestrian, bike, car and transit needs
- Mix compatible land and building uses to generate activity throughout the day, evening and weekend

- Existing Building
- Proposed New Building
- Proposed New Open Space

PARK

COUNTY CAMPUS

5TH STREET 'MAIN STREET'

CIVIC HUB: COMMUNITY SERVICES & AMENITIES

RETAIL CENTER

RESIDENTIAL: MIXED-INCOME & MULTI-FAMILY

PARK

ENTERPRISE ZONE

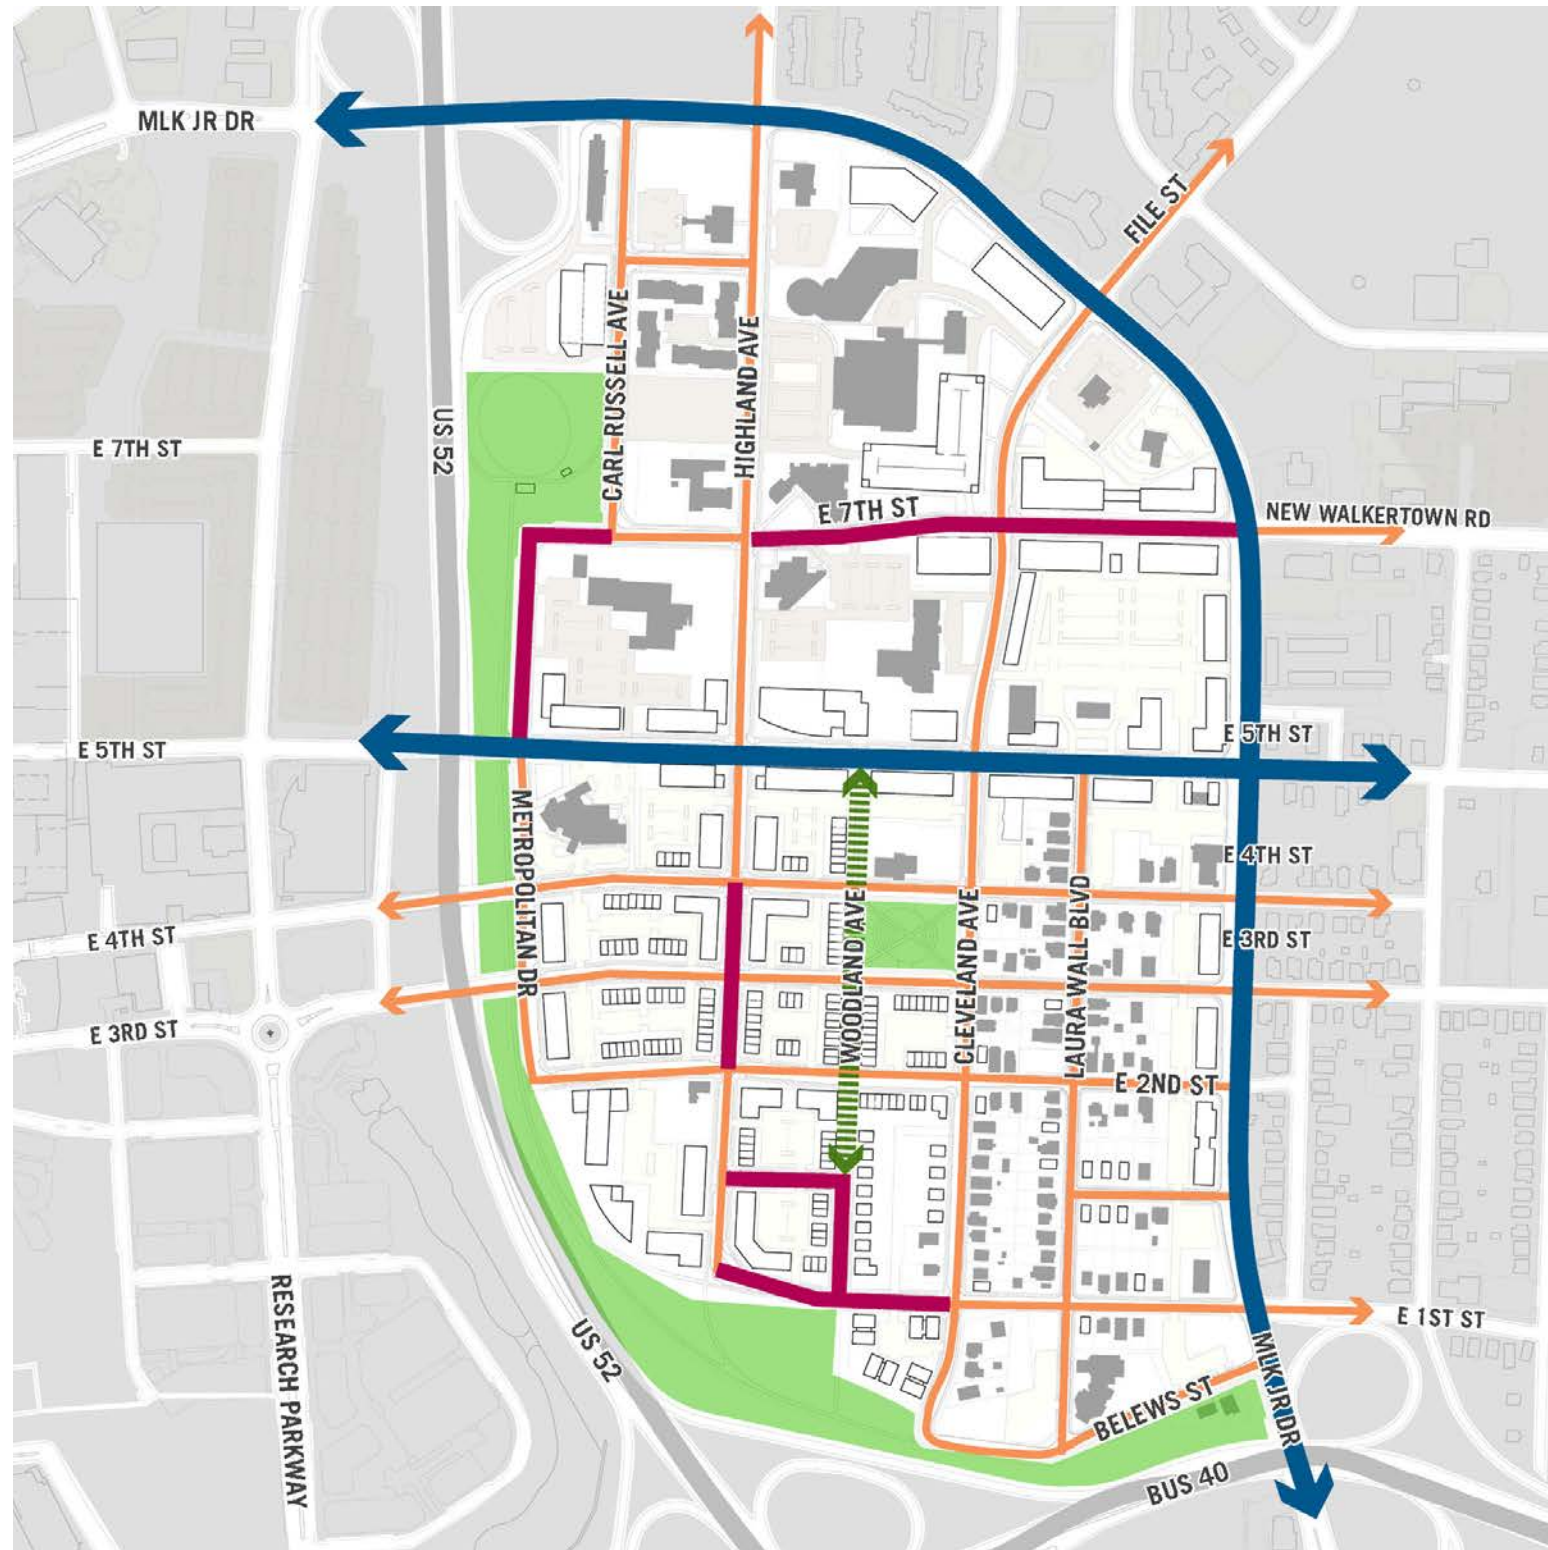

PARK

RESIDENTIAL: REHAB & INFILL

MLK MIXED-USE FRONTAGE

MASTER PLAN COMPONENTS

Street Network and Parking

Create a public realm that is safe, functional and beautiful

A street designed for people, not just traffic
(Crocker Park in Westlake, OH)

Streetscape elements and pedestrian amenities
(King Street in Kitchener, Ontario)

- Primary Streets
- Neighborhood Streets
- Proposed Neighborhood Street Extensions
- Proposed Conversion to Greenway

5th Street Improvements

Existing configuration of 5th Street

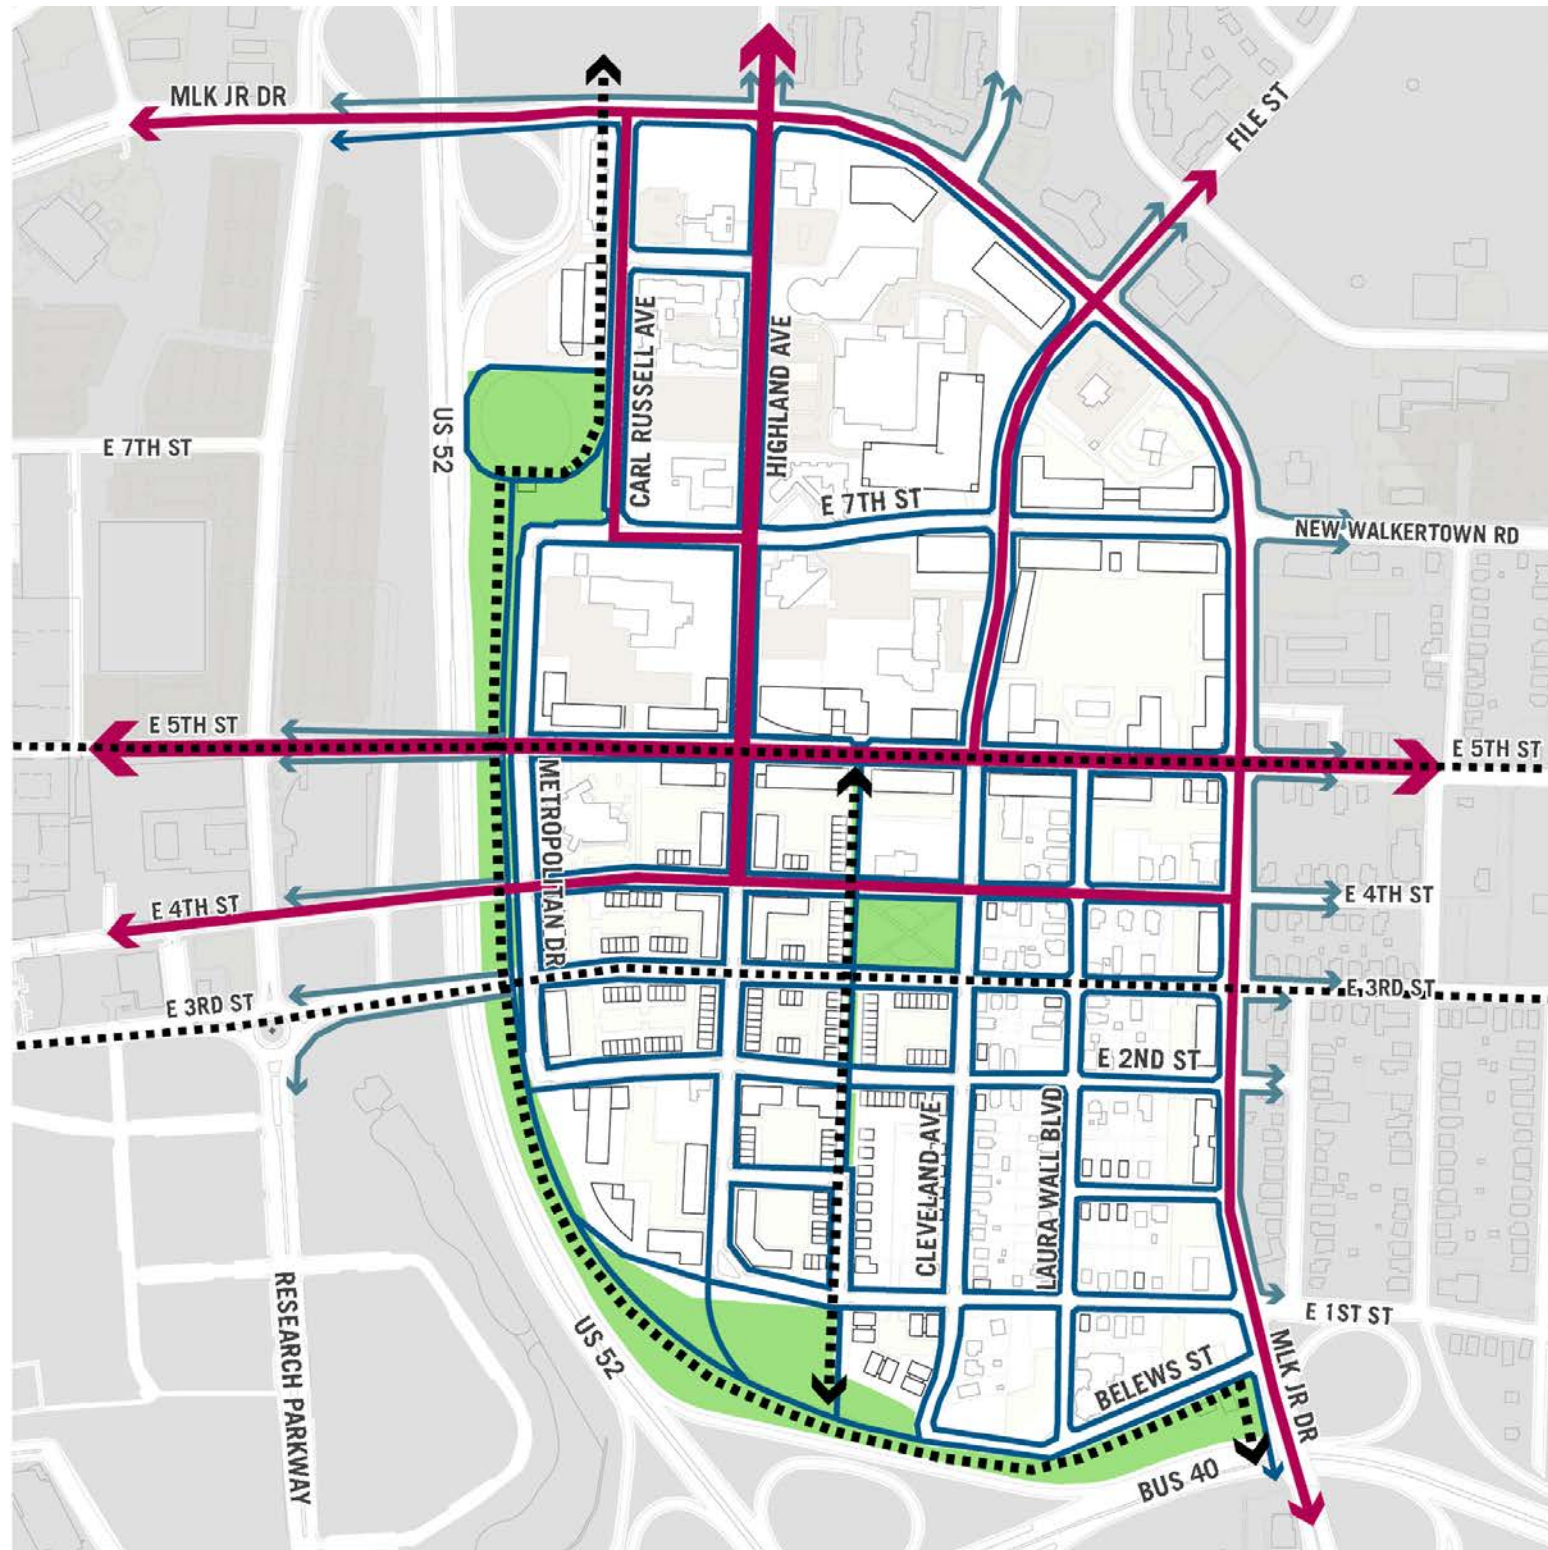

Plan of 5th Street corridor indicating vantage point for rendering

Open Space Network

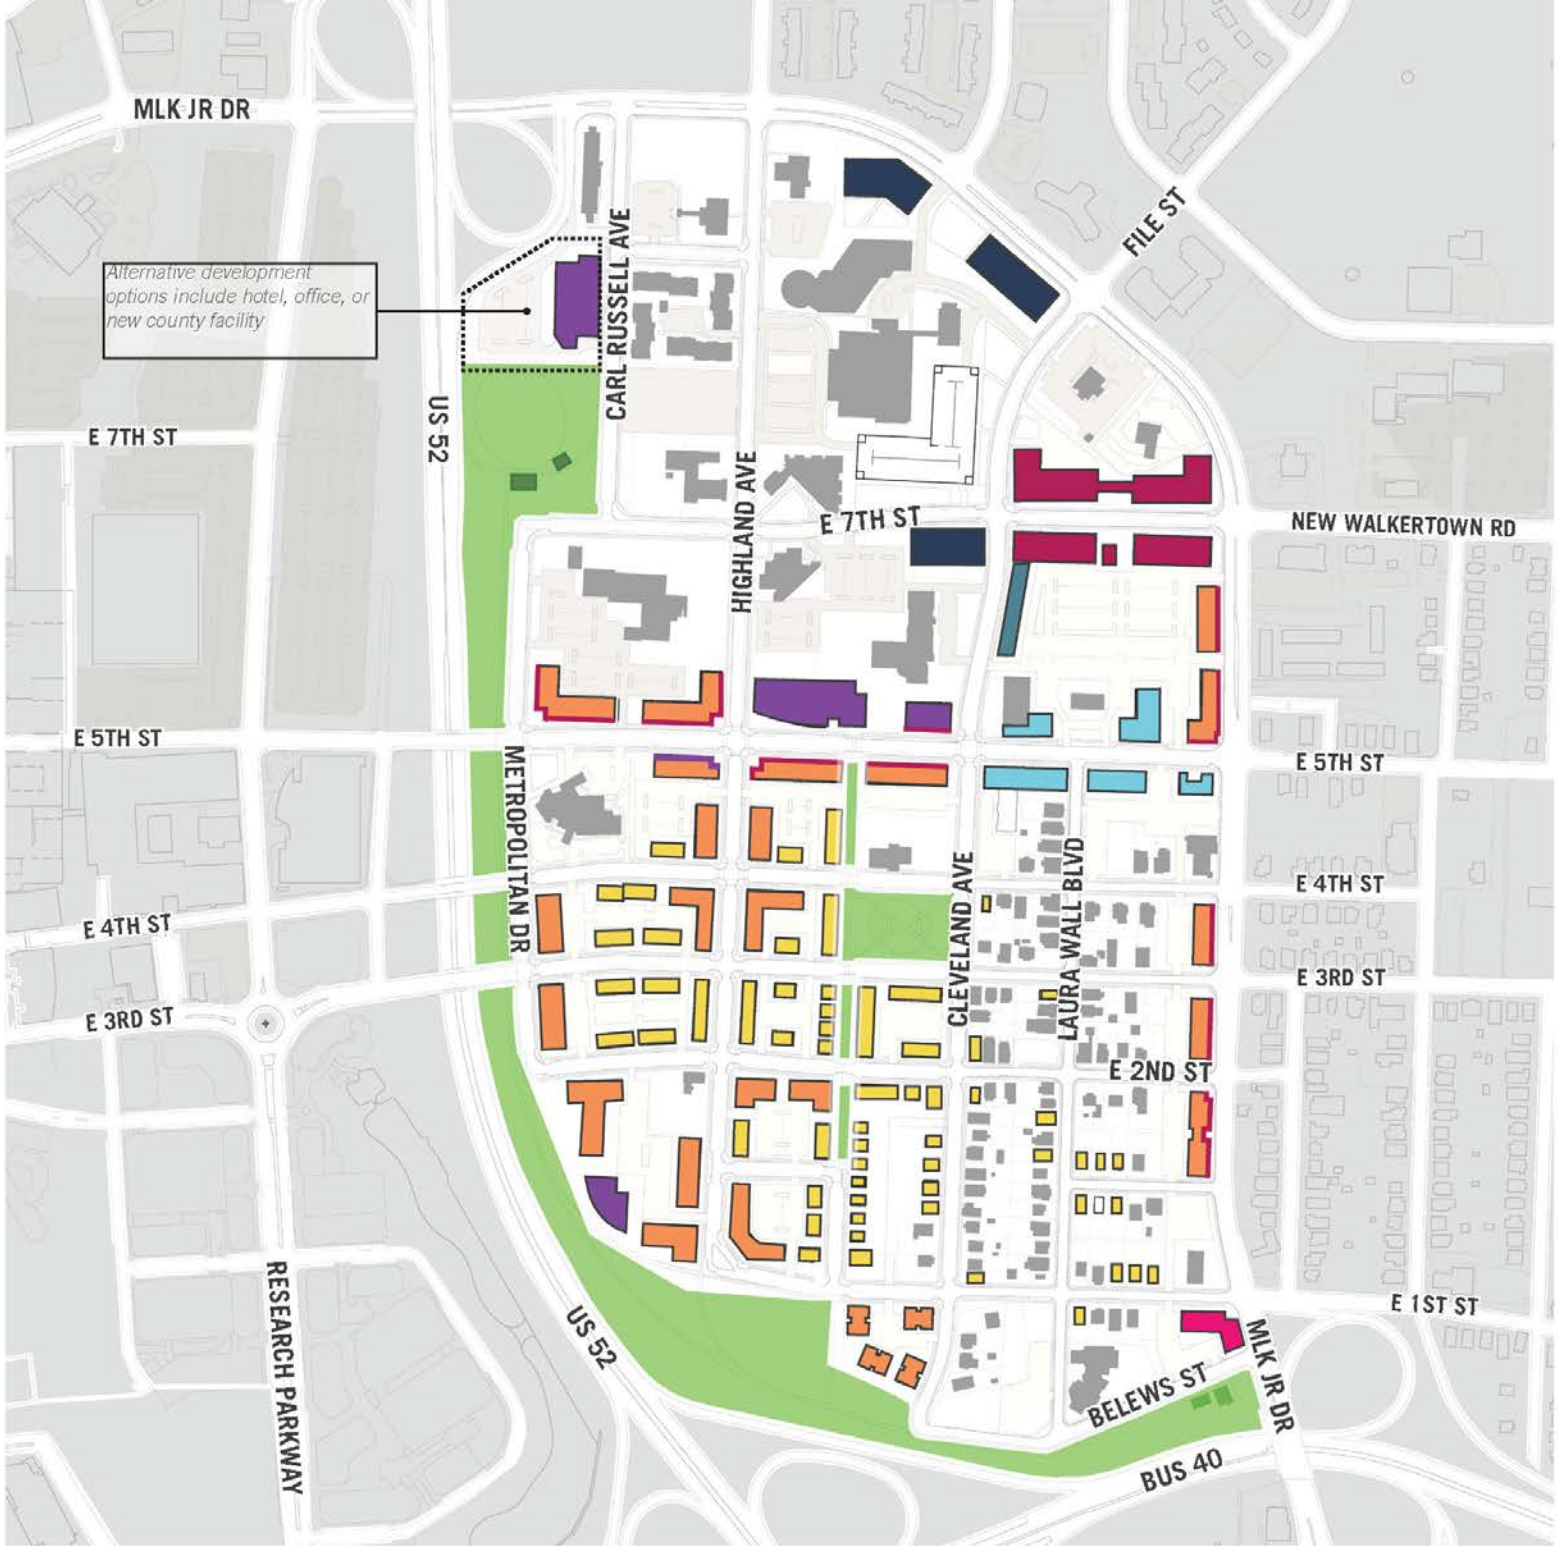

Pedestrian, Transit, & Bike Network

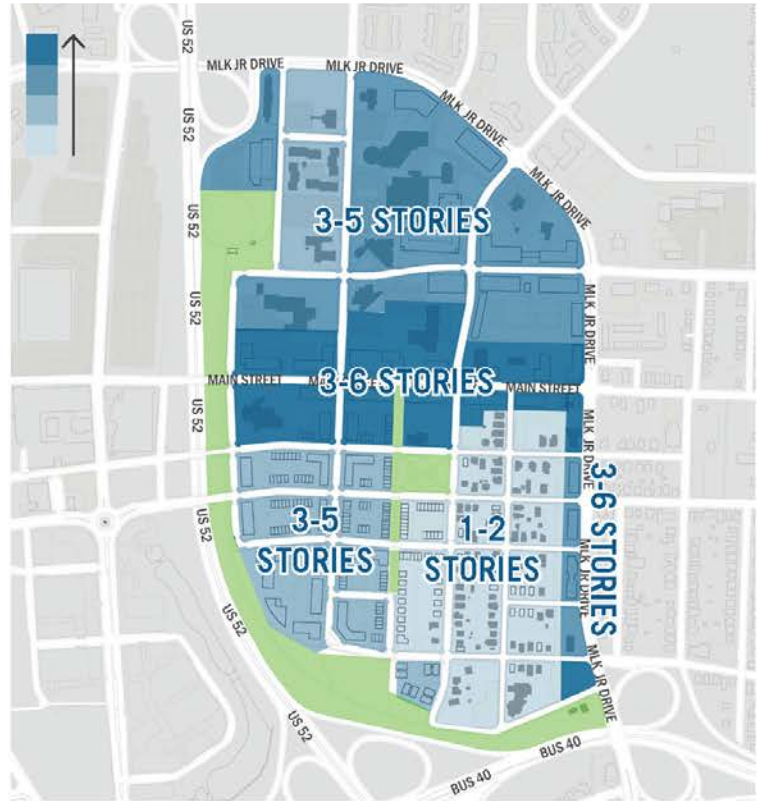

-  Pedestrian Routes
-  Transit Routes
-  Bikeways

Uses, Density, Scale, & Height

Target Heights for New Buildings

- Existing Building
- Single-Family Residential (Private Entry)
- Multi-Family Residential (Shared Entry)
- Commercial: Office, Co-working, Flex Space
- Hotel
- Retail
- Civic, Institutional, & Community Service or Amenity
- County Facilities

Building Types & Character

Residential

Retail

Commercial

Civic & Institutional

IMPLEMENTATION

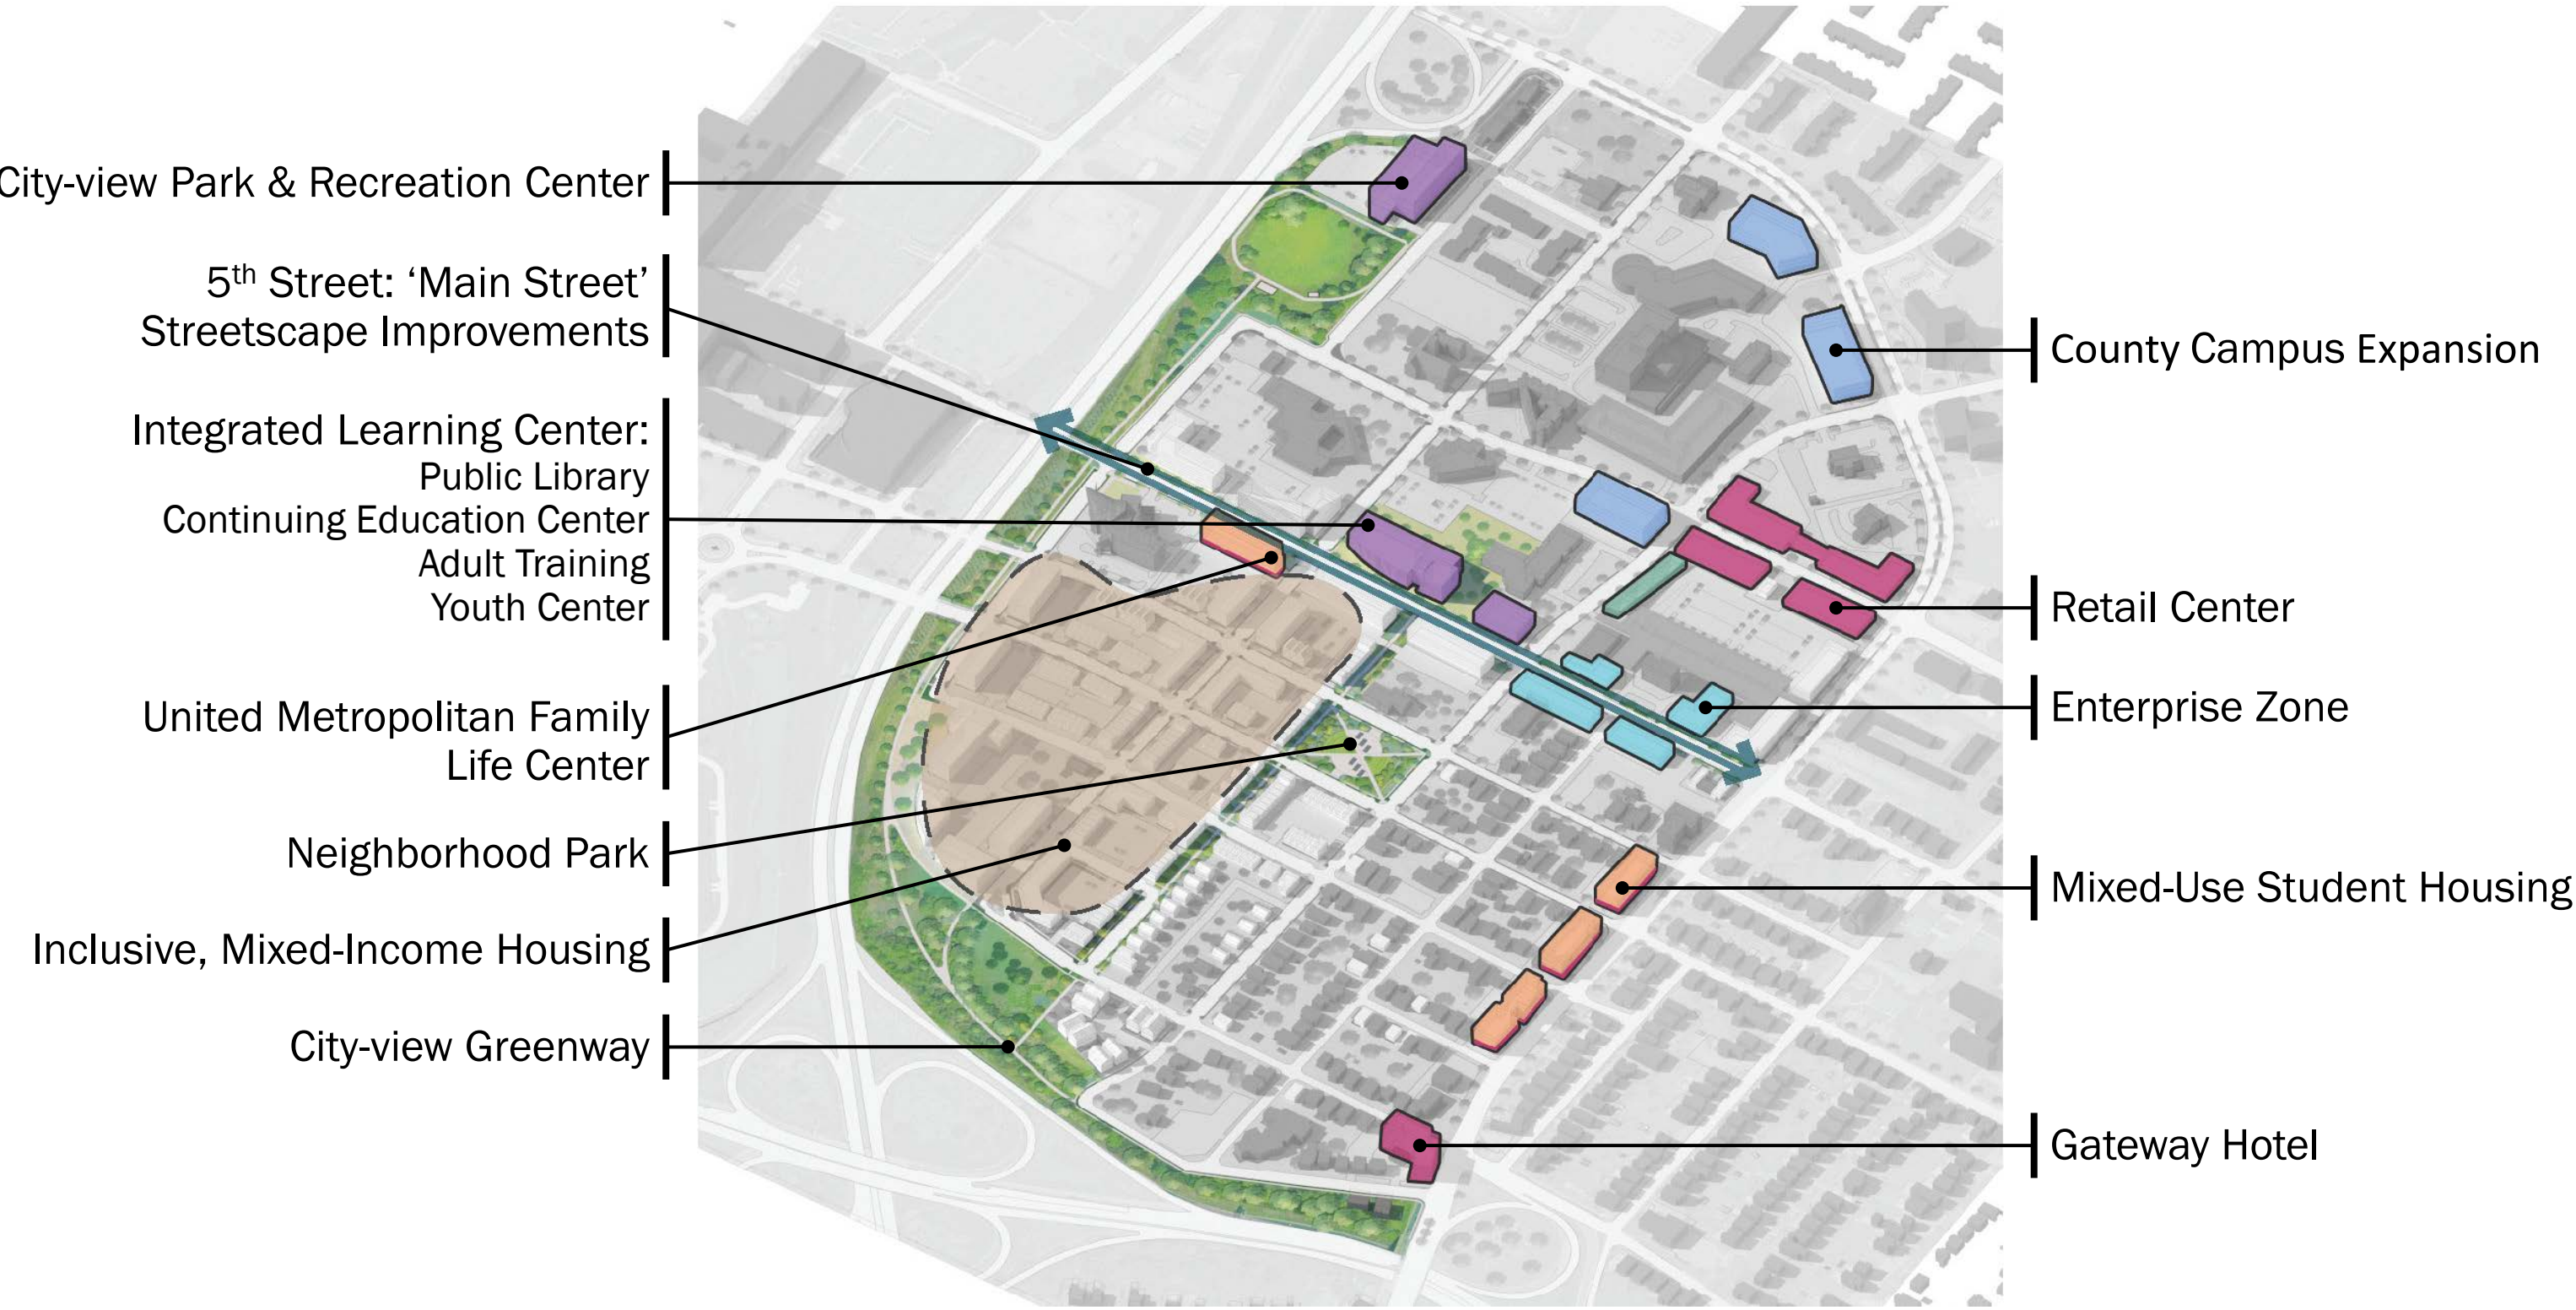

Goals & Strategies

- **Implementation requires a collective effort** involving residents, city government, county government, non-profits, churches, local institutions, property owners, businesses, developers and investors
- **Explore full range of project financing options and sources** including city, state and federal grants or tax credits, neighborhood land banks, community land trusts and institutional, corporate or philanthropic sponsorships and donations

- Single-Family Residential (Private Entry): 150 Units
- Multi-Family Residential (Shared Entry): 1,100 Units
- Commercial: Office, Co-working, Flex Space: 145,000 sf
- Hotel: 110 keys
- Retail: 125,000 sf
- Civic, Institutional, & Community Service or Amenity: 192,000 sf
- County Facilities: 225,000 sf

Catalyst Projects

Key Initiatives – Residential

1. Church Housing Redevelopment
2. County EMS Site
3. MLK Student Housing
4. Single-Family Housing Stabilization
5. Apartment Complex Redevelopments

Key Initiatives – Economic Development

1. Church Housing Redevelopment
2. County EMS Site
3. MLK Student Housing
4. Single-Family Housing Stabilization
5. Apartment Complex Redevelopments
- 6. Integrated Learning & Community Center**
- 7. Shopping Center Transformation**
- 8. 5th Street Enterprise Zone**
- 9. Gateway Hotel**
- 10. County Campus**

Key Initiatives – Open Space & Circulation

1. Church Housing Redevelopment
2. County EMS Site
3. MLK Student Housing
4. Single-Family Housing Stabilization
5. Apartment Complex Redevelopments
6. Integrated Learning & Community Center
7. Shopping Center Transformation
8. 5th Street Enterprise Zone
9. Gateway Hotel
10. County Campus
- 11. 5th Street Streetscape Improvements**
- 12. Neighborhood Park**
- 13. Cityview Greenway**
- 14. Cityview Park & Recreation Center**
- 15. New Neighborhood Streets**
- 16. Bridge Beautification & Improvements**

Next Steps

1. Endorsement by City-County Planning Board
2. Recommendation by City Council Committee
3. Consideration by City Council
4. CDC Quarterly Meetings
5. Implementation

Ensuring Inclusive Prosperity

Plan implementation focus on:

- Inclusion and affordability
- Equitable opportunities with first consideration for community residents
- Increase in minority ownership of housing and businesses
- Replacement housing without displacement of low and moderate-income households through density increase
- Building first on vacant and commercial sites
- Leveraging public and private resources

Ensuring Inclusive Prosperity

Diversified housing approach:

- Subsidized housing for lower-income workers
- Reasonably priced options for younger workers and creative professionals
- Incentivize multigenerational housing
- Improve programs to retrofit housing for accessibility

Economic and social development:

- Buy local/buy diverse
- Living-wage jobs
- Increase number of minority-owned businesses
- Train and hire community residents for development projects
- Expand arts and library programming

Questions

- Existing Building
- Proposed New Building
- Proposed New Open Space
